Reminders:

ADOPT A FIRE HYDRANT

in your neighborhood and clear a three foot area around it after each snowfall. This will prevent the hydrant from being buried completely after successive snow events and will ensure its availability if it is needed in a fire emergency. The Fire Department greatly appreciates your cooperation in keeping hydrants accessible. Please call 651-280-6800 to request a hydrant.

MAILBOX/SOD DAMAGE

replacement/repair is allowed per City policy by the Municipal Services Department if there has been direct contact with City snow removal equipment and it is reported by June 1. Call 651-280-6900 to report damage.
